

## HOW IT CAME TO BE

Back in the early 90's, Gerald Schantz, a Savannah native, a Vietnam era Navy veteran, a professional stained glass artisan, and a local theatre thespian, happened upon an opportunity to cater a private party for the cast and crew of "This Old House" hosted by the author of Midnight in the Garden of Good and Evil, John Berendt. Before the event was over, the show's producer commissioned him to cater the company's wrap party in Monterey Square. The event was so successful that Gerald was able to purchase his first custom grill on wheels that formed the beginning of his rolling catering service, GERALD'S CHUCKWAGON.

After several successful years of catering, Gerald decided it was time to sell his stained glass business, and then opened GERALD'S DINER in downtown Savannah. Even though he had an undying love for downtown Savannah he could not resist the lure of Tybee Island. So after jumping through hoops to get the site approved, he moved himself and the business to Tybee as GERALD'S PIG AND SHRIMP.

Gerald has been cooking in the Coastal Empire since 1985; catering for movie sets, film crews, TV shows, corporate functions, outdoor festivals, concerts, wedding receptions and rehearsals, and numerous other private events. He would be delighted to cater to you and for you.
